MM Docket No. 92-260

PACIFIC BELL AND NEVADA BELL COMMENTS
ON PETITIONS FOR RECONSIDERATION

Pacific Bell and Nevada Bell ("The Pacific Companies")
files these comments in support of the Petitions for

Reconsideration filed by Nynex, Liberty Cable Company, and

will not foster competition. It will, in effect, require duplication of effort and unnecessary expenditures.

The better rule, as both Nynex and Liberty recognize, is for the demarcation point to be at a location easily accessible to providers.² And, because of the continued blurring of the distinction between cable TV and telephone wiring, the location of the demarcation point for cable home wiring should match that of telephone inside wiring.

The Pacific Companies further support Nynex's Petition that cable home wiring rules should apply at installation of service, not simply at termination.

Respectfully submitted,

PACIFIC BELL
